HOW IT WORKS:

Complete each space by reading for one hour or doing the activity for that badge. Earn the first four badges to win the prize of a book. Win bonus prizes for any additional badges you earn. Track your progress using this log or online at Beanstack at SchaumburgLibrary.org/challenge. Use this QR code to find links to all of the materials necessary to complete each activity.

ARTIC FOX

Read a book about arctic animals. Then, use materials from your home to create a home for an animal you learned about. You might create a den or cave or even a pine-filled tree!

OWL

Use a flashlight to project the shadow of various household objects onto a wall and have a family member guess the object.
LYNX

Pretend to be different animals by moving like them.
